SMALL BUSINESS SPOTLIGHT · OCTOBER 2026

Wolfdan Collective

*Sarah & Cory Miller, Owners
Photography & Graphic Design*

“The best photos don't always come from perfectly posed moments, but from the laughs, little in-between moments, and pieces of your personality that make your story yours.”

Hi, I'm Sarah, the photographer and creative behind Wolfdan Collective. I've had a camera in my hands since high school and have been professionally photographing people and their stories since 2014. What started as a love for photography has grown into something that feels much bigger to me — a way to help people see themselves, their relationships, and the seasons of life they're in through honest, meaningful imagery. I'm a wife, a mom, a creative, and someone who genuinely believes the best photos don't always come from perfectly posed moments, but from the laughs, little in-between moments, and pieces of your personality that make your story yours.

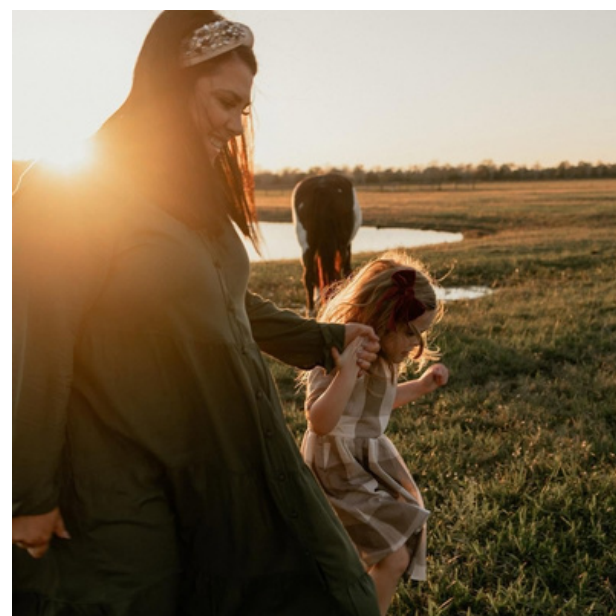

Professionally photographing people and their stories since 2014

Small Business Spotlight, Continued

Wolfden Collective is a photography and creative studio focused on imagery that feels like you. I photograph couples, families, individuals, seniors, maternity, personal branding, and intimate celebrations, while also offering creative design services through my husband Cory. Our goal is to create work that feels intentional without feeling stiff or overly polished — images and designs that feel personal, comfortable, and a little bit like home. Whether I'm documenting a growing family, helping someone feel confident in front of the camera, or creating imagery for a small business, I want the experience to feel relaxed, guided, and genuinely human.

Greater Houston Market Snapshot

\$330,000

Median single-family sale price, August 2026

54 Days

Average days on market, up from 52 a year ago

Sales fell 11.5% year over year in August, the sharpest drop of 2026, but prices barely moved: the median slipped \$5,000 and the average actually rose. With 5.3 months of inventory, this is the most balanced the Houston market has been in years.

What This Means For You

FOR BUYERS

More time to decide, more room to negotiate. With fewer buyers competing for each listing, you can ask for repairs, ask for closing cost credits, or just take a breath before writing an offer.

FOR SELLERS

The drop in closings is worth taking seriously without overreacting to it. Prices held up, which means well-prepared, realistically priced homes are still finding buyers.

Curious what these numbers mean for your specific home? Turn the page. We've got a featured listing and our direct line right here.

Do One Local Thing This Month.

You don't need a special occasion to support local. Buy something from a local maker. Try a restaurant that isn't a chain. Take the family to a park you haven't visited yet. None of it has to be complicated. Spending a little time and money close to home is one of the simplest ways to keep this area feeling like a community instead of just a zip code.

SHOP LOCAL

Grab lunch or coffee from a small business instead of a chain.

VOLUNTEER

Give an hour to a local library, food pantry, or animal shelter.

SAY HELLO

Introduce yourself to a neighbor you haven't met yet.

It doesn't take a small town to feel like a community. Just a few small choices.

Team Lead • CLHMS, ALHS, ABR, e-PRO

Peter has 22+ years in real estate, mortgage lending, and construction. He was inducted into the RE/MAX Hall of Fame in 2016 and the CB&A Champions Club Hall of Fame in 2022.

Vicky Royster

Pricing Strategist • MRP, PSA

Vicky has 6+ years of real estate experience and runs the pricing strategy behind every listing, making sure homes are priced to actually sell.

Vicky brings that same family-first mindset to every listing. She and Peter built this business together, and she believes a home sale should feel personal, because for the people living it, it always is.

6+ YEARS

Real estate experience

Together, the team has earned CB&A's Platinum, Diamond, and Elite Club awards year after year. Ask their clients, though, and they'll tell you it comes down to something simpler: honesty, communication, and treating every family like their own.

“Peter was very helpful from the first time we spoke and had a list of homes for me to see within days of our first contact. He took the time to listen to me to find homes that most suited my needs.”

A NOTE FROM OUR FAMILY

Support Something Local This Weekend.

Grab lunch at a locally owned spot. Wave at your neighbors. Let the kids get grass-stained at the park. None of it needs to be complicated. It just needs to be yours.

*We'll see you around town. Go make some memories this weekend.
