FESTIVAL DETAILS

Do One Local Thing This Month.

You don't need a special occasion to support local. Buy something from a local maker. Try a restaurant that isn't a chain. Take the family to a park you haven't visited yet. None of it has to be complicated. Spending a little time and money close to home is one of the simplest ways to keep this area feeling like a community instead of just a zip code.

SHOP LOCAL

Grab lunch or coffee from a small business instead of a chain.

VOLUNTEER

Give an hour to a local library, food pantry, or animal shelter.

SAY HELLO

Introduce yourself to a neighbor you haven't met yet.

It doesn't take a small town to feel like a community. Just a few small choices.

Small Business Spotlight

SMALL BUSINESS SPOTLIGHT • SEPTEMBER 2026

Cory Miller

Tattoo Artist, Bold and Brave Tattoo Parlor • Clear Lake, TX

Cory Miller is a tattoo artist at Bold and Brave Tattoo Parlor in the Clear Lake area of Houston, Texas.

He has been tattooing for a little over five years now, but creating art has been a part of his life for much longer. Around 20 years ago, he started taking his art more seriously. Countless hours were spent sketching and drawing anything that caught his interest. From Japanese-inspired artwork to tattoo-inspired designs, Cory began incorporating his artwork into a variety of different projects.

Cory's passion for art eventually led him to the University of Houston, where he spent several years studying graphic design. That experience gave him a strong foundation in design, composition, and visual storytelling, all of which continue to influence the way he approaches his work today.

In 2020, he finally took a leap of faith and pursued tattooing professionally. It was something that he had wanted to do for a long time, and taking that step has been one of the best decisions he has ever made for himself and his creativity.

Cory's work is primarily rooted in American Traditional tattooing, a style that he has always been drawn to for its bold lines, strong imagery, and timelessness. He loves the balance between traditional tattooing and his own artistic perspective. He continues looking for ways to grow while staying true to what inspires him.

Small Business Spotlight, Continued

Outside of tattooing, Cory also has a deep appreciation for small businesses and fellow creatives who are trying to make their mark on the world. He truly enjoys helping bring their ideas to life through logos, merchandise, and other custom designs.

For Cory, art has always been about more than just creating something that looks good. It's about taking an idea, making it your own, and turning it into something meaningful that you can share with the world.

He would love the opportunity to work with you and create something that means something to you — whether it's a tattoo with a deeper story behind it or simply a design you've always wanted. If you're ready to bring an idea to life, he would love to hear from you!

Greater Houston Market Snapshot

\$330,000

Median single-family sale price, August 2026

54 Days

Average days on market, up from 52 a year ago

Sales fell 11.5% year over year in August, the sharpest drop of 2026, but prices barely moved: the median slipped \$5,000 and the average actually rose. With 5.3 months of inventory, this is the most balanced the Houston market has been in years.

What This Means For You

FOR BUYERS

More time to decide, more room to negotiate. With fewer buyers competing for each listing, you can ask for repairs, ask for closing cost credits, or just take a breath before writing an offer.

FOR SELLERS

The drop in closings is worth taking seriously without overreacting to it. Prices held up, which means well-prepared, realistically priced homes are still finding buyers.

Curious what these numbers mean for your specific home? Turn the page. We've got a featured listing and our direct line right here.

Support Something Local This Weekend.

Grab lunch at a locally owned spot. Wave at your neighbors. Let the kids get grass-stained at the park. None of it needs to be complicated. It just needs to be yours.
